

15th Annual European CME Forum

2–4 November 2022

NH Constanza Hotel, Barcelona, Catalonia, Spain

Call for Abstracts Guidance

To run a Workshop

Eligibility

The scope of the Workshop must contribute to the theme “Reevaluating European and global CME-CPD” and fall under one of the subcategories:

Innovation and impact

Including, but not limited to, accreditation, regulation, self-certification, legal obligations, ethical considerations, national requirements, curriculum development, personal development, healthcare systems, employer responsibility, patient interactions, insurance requirements, etc.

Attitude and culture

Including interprofessional continuing education, voice of the patient, outcomes analysis, needs assessment, gap analysis, digitisation of continuing education, team-based approaches, use of technology, learning modalities, educational effectiveness, etc.

Environment and community

Any topic related to the funding of medical education and/or its independence

The content must be pertaining to, or of relevance to, the practice of IME/CME-CPD, it can draw on experiences in undergraduate and graduate education, or national examples in countries outside of Europe, as long as it is applicable to the European and global CME-CPD sphere.

Deliverables

Elevator pitch — a 60-120 second video outlining the objectives of the session

Pre-reading — it is encouraged to provide some pre-meeting materials to help guide the participants

Workshop — 90 minutes, to be presented as one of 4 concurrent workshops

Reflection — a 20 minute report from the session to the plenary room for further engagement and Q&A

The workshop itself should be interactive and educational in nature, structured to engage participants to identify challenges, reach an agreement, or other outcome which summarises the group opinion of a defined theme or concept.

The workshop and related materials must not promote a company, product or service, or be promotional in nature. Workshop leaders must be registered on-site participants of the 15th Annual European CME Forum.

Process

Submissions to be submitted by **Monday 19 September 2022**. The entries will be reviewed by the Session Chairs. Participants will be notified of the outcome by email on **Monday 26 September 2022**.

Application

Submit your abstract using the application form provided, which you can download from the 15ECF [Call for Abstract page](#).

Send the form, or any questions to cme@CMEforum.org.

We look forward to receiving your submission and seeing you in Barcelona!
